OFFSITE NOTIFICATION DUE TO CONTRACT EMPLOYEE FATALITY

"At approximately 14:10 Eastern Daylight Time (EDT), the Control Room was notified of a contract employee experiencing a non-work related medical emergency within the protected area in the service building. First responders were immediately dispatched. Off-site assistance was requested. The individual was transported to the New Hanover Regional Medical Center. No radioactive material or contamination was involved. At 16:02 EDT, hospital officials notified plant personnel that the patient was declared deceased.

"This notification is being made in accordance with 10 CFR 50.72(b)(2)(xi) for a situation related to the health of on-site personnel for which a notification to other government agencies is planned. The Occupational Safety and Health Administration (OSHA) will be notified.

"The NRC Resident Inspector has been notified."
