Fukushima-Chernobyl Days 2014 - To Not Forget

**ITALY : Vasto (CH) - Sala Conferenze ex Palazzi Scolastici
Sabato, 26 Aprile dalle ore 16:30**

The "point" of the event will be a public projection of the movie "Dark Matter" (about thorium radioactive weapons and depleted uranium) and "All the Nuclear accidents after Fukushima (2011-2014)".

After the Berlin Festival - this movie (co-produced in collaboration with RAI (italian Statal TV) remain still unknown. We will make it public.
